Terms and Conditions

Participant responsibility

The CTM Education program price does not include the following expenses:

1. Insurance. Students must have adequate health insurance for the entire duration of their stay in the US. Most schools provide a policy for international students and in some cases, students must purchase the policy provided. Where a school doesn't have a policy, one can be provided by CTM Education at an additional cost.
2. Personal spending money.
3. Housing and meal costs during the time when the school is officially closed. This will usually be: The Thanksgiving holiday in late November, the Christmas holiday (usually about 4 weeks) and Spring vacation (about 10 days).
4. Textbooks and other necessary school supplies.
5. Extra ESL tuition that may be required by a student whose English language level is inadequate.
6. Air fare to & from the U.S. domestic airport closest to the campus (student is responsible for return trip air travel).

Special needs

Students should make any special requirements or needs known at the time of application. The program may be able to accommodate such requests.

Rules

Students applying through CTM Education are subject to the rules of the school in which they enroll. Rules governing alcohol, controlled drugs, honors offenses, and other serious matters will be strictly enforced. Applicants are reminded that international students in the United States must comply with US state or federal law and school rules in order to retain a valid student visa. Students violating such laws risk immediate dismissal from the program and repatriation to the home country, as well as legal prosecution for violation of the laws of the state or federal jurisdictions. No refund of fees will be made in the event of dismissal or withdrawal.

Payment of fees

Fees for the CTM Education program will be paid as follows:

- A \$500 deposit is due with the application. This deposit is refundable only if the applicant is not accepted to the school or is unable to obtain a student visa. The I-20 will not be released without the deposit.
- 1st year program/tuition fees are payable upon notification of acceptance.
- A \$100 late fee will be charged on delayed payments.

Note

Students will enter the US with the I-20 Form from the U.S. Immigration and Naturalization Service, which is provided by the participating school. The I-20 form will be sent after the first payment has been received.

Cancellations

CTM Education will act in accordance with the policy of the school to which the student has applied in regards to cancellations after enrollment. Where possible, students are encouraged to defer to the following semester rather than cancel. Students who defer or withdraw on or after the academic year begins will not be eligible for a refund. Refunds will not be given for cancellations requested after classes have begun.

Medical release authorization

We, as parents/guardians of undersigned student, do hereby authorize CTM Education and its assigned agents, and any designated program representative, as agents of the undersigned parents, to consent to any X-ray examinations, anesthetic, medical or surgical diagnosis or treatment, or hospital care which is deemed advisable by, and is rendered under, the general supervision of any licensed physician or surgeon, whether such treatment or diagnosis is rendered at the office of said physician or surgeon or at a hospital. It is understood that this authorization is not given in advance of any specific diagnosis, treatment or hospital care being required, but is given to provide authority and power on the part of aforesaid agents to give specific consent to any and all such diagnoses, treatments, or hospital care which the aforementioned physician or surgeon, in the exercise of her/his best judgement, may deem advisable.

Agreement and release

We, the undersigned, do waive and release all claims against CTM Education and its agents for any injury, loss, damage, accident, delay, or expense resulting from the applicant's participation in the program. We also release CTM Education and its agents and agree to indemnify them with regard to any financial obligations or liabilities that the applicant may personally incur or any damage or injury to the person or property of others that the applicant may cause while participating in this program. We understand that the program begins with the outbound flight to the United States and terminates when the return flight lands. We realize that any airline's liability for loss or damage to baggage or property, or for death or injury, is limited by the terms outlined by these airlines. We also understand that it is our responsibility to obtain a passport or any required visa. We understand that CTM Education is not responsible for any loss or injury suffered by the applicant during periods of independent travel or absence from the program. If the applicant becomes ill or incapacitated, CTM Education or its agents may take such actions as it considers necessary, including securing medical treatment and transporting the applicant home at her/his own expense.

We release CTM Education from all liability related to such actions. We understand that the applicants participation in the program may be terminated at the discretion of CTM Education without any refund of fees, and that the applicant may be sent home at his or her own expense if she or he does not adhere to U.S., State, and local laws, and school rules. We agree to accept full responsibility for personal expenses, books, any required additional language

training, and round trip air fare. In the event that CTM Education or its agents advance any monies to the applicant or incur special expenses on her or his behalf, we agree to make immediate repayment to CTM Education. We understand that this agreement with CTM Education cannot be modified or interpreted except in writing by CTM Education. We also understand that cancellations received prior to July 1 for entry beginning in the fall or prior to November 1 for entry beginning in the spring will receive a full refund minus a service fee of \$500. After these dates, but before the school entry date, the application deposit and one-half of the year's fees will be nonrefundable. Students who defer or withdraw on or after the school entry date will not be eligible for a refund. If the student does not receive an acceptance or is unable to obtain a visa, a full refund, including the \$500 deposit, will be issued.
