Quinnipiac University requires a TOEFL or IELTS score to demonstrate English proficiency.

### Accreditation

Quinnipiac University is fully accredited by the New England Commission of Higher Education, The Association to Advance Collegiate Schools of Business (AACSB), American Bar Association, National Council for Accreditation of Teacher Education (NCATE), the Commission of Collegiate Nursing Education, the American Association of Medical Colleges, the Liaison Committee on Medical Education, and the Accreditation Board for Engineering and Technology (ABET).

### Degrees Offered

Quinnipiac University offers the Bachelor of Arts (BA) and Bachelor of Science (BS) degrees as well as these graduate programs:

- ★ MBA Business Administration (traditional or with tracks in: Finance; Health Care Management; or Supply Chain Management)
- ★ MS Molecular & Cell Biology
- ★ MHS Biomedical Sciences
- ★ MS Journalism
- ★ MS Sports Journalism
- ★ MS Public Relations
- ★ MS Interactive Media & Communications

### Special Features

Quinnipiac University's innovative dual-degree programs deliver an education that transitions students from the undergraduate to the graduate degree. In addition, Quinnipiac is also home to the School of Law and Frank H. Netter MD

School of Medicine for specially qualified candidates.

### Student Success

96% of graduates across various schools were employed or working towards an advanced degree within 6 months of graduation; students from the Business School and College of Arts & Sciences near 99%.

### Recognition

Quinnipiac University is currently ranked 13th in Regional Universities North category of the US News & World Report. It is one of only 30 schools in the country with all three specialities: schools of Law, Medicine, and Engineering. The School of Business has been listed in The Princeton Review's "The Best 295 Business Schools," and the School of Law in "The Best 173 Law Schools."
